### Pattern notes:

**Assembly Sequence** (Note: see assembly diagram at end of pattern)

Scarf is made of 38 squares arranged two squares across by nineteen squares long. After first square is complete, subsequent squares are created and attached by join-as-you go method.

- Make Square 1.
- Make Square 2, joining to side of Square 1 with single-sided join.
- Make Square 3, joining to top of Square 1 with single-sided join.
- Make Square 4, joining to side of Square 3 and top of Square 2 with double-sided join.
- Additional rows are added with pairs of squares. First square of row is attached with single-sided join, second square of row is added with double-sided join.
