Stitches/Terms: beginning (beg), chain (ch), repeat (rep), single crochet (sc), space (sp), stitch (st)

Prepare fringe: Wrap lengths of each color around a 9" measure (book or piece of cardboard) fifteen times, cut strands at one end and set aside for fringe (total 30 strands, 15 of each color)

Notes: At color changes (every two rows), DO NOT CUT yarn, but carry it loosely up side of work. Loose strands will be encased by single crochet edging when scarf is completed.

To change color: When last step of stitch before color change is reached, pull new color through loops on hook, drop old color, and continue work with new color.

Repeat Rows 3-6 until scarf is desired length, ending with 2 rows Color A and reserving enough of Color A or B to work edging.

Edging: With choice of color, attach yarn in any stitch on end of scarf, ch 1, single crochet evenly around all 4 edges of scarf, working 3 sc in ea corner and keeping tension even along sides to allow for stretch. Fasten off and weave in ends.

Attach fringe: Attach 1 strand of fringe in ea stitch on both ends of scarf, alternating colors. Insert hook into stitch, fold strand in half over hook, draw loop through fabric, then pull ends of strand through loop on hook and tighten knot. Trim fringe to desired length.
